Mr. O. M. Christensen
Patent Office, Room H-201
Radiation Laboratory
Massachusetts Institute of Technology
Cambridge A39, Mass.

Dear Chris:

We arrived in Berkeley all right on January 23.
My wife and son have been enjoying the California
sunshine.

I would appreciate it, if you could fill out the
enclosed report and send it air mail to the Dean of the
Graduate Division, University of California, Berkeley 4,
California, so that it would reach Berkeley prior to
February 20.

I am sending a duplicate copy of this letter to
you by regular mail, which you may disregard, if the
air mail copy reaches you first.

Please give my best wishes to everyone in the
Patent Office.

Sincerely yours,

Frederick B. Wood
