COLLEGE OF ENGINEERING  
DIVISION OF ELECTRICAL ENGINEERING  
BERKELEY 4, CALIFORNIA

October 25, 1946

Mr. Frederick B. Wood:

Your proposed topic for the graduate Seminar EE 298, namely "The History of Electromagnetic Theory" has been approved. The completed paper will be due at 8:10 a.m., January 10, 1947.

If you should wish later to make any change in the title, or to restrict the scope of the paper, please submit the proposed change for written approval.

Please let me know also of any change in your local mailing address.

Yours very truly,

Paul L. Morten,  
Instructor in Charge

PLM/vk
