Dr. George Pepper (or appropriate officer of ASF)
National Council of the
Arts, Sciences and Professions
1586 (1515?) Crossroads of the World
Los Angeles, Calif.

Dear Dr. Pepper:

We are enclosing a copy of a letter received by the
Science Section of East Bay A.S.P. from Science Div. of
N.C.A.S.P.

As yet the East Bay ASF in Berkeley has no office nor
office force. The Science Section has been meeting in
private homes. There are no facilities for handling a
large mass mailing such as is mentioned in the letter.
Is the Los Angeles ASF office equipped to handle part or
all of the proposed mailing?

At our next membership meeting we shall discuss a
proposal for the East Bay ASF to supply manpower and to
raise money to utilize the San Francisco ASF office
facilities for doing such mailing.

It is important that you let us know promptly.

Sincerely yours,

Frederick B. Wood
